Introduction

A convention of scientists and technologists of West Bengal was held on 29 April 1986 in the auditorium of Indian Institute of Chemical Biology (IICB), Kolkata, to consider the question of forming an Academy of Science in West Bengal. After a prolonged discussion, the house decided to form such an Academy and constituted an ad-hoc committee to take necessary steps to give effect to this decision. In a general meeting on 20th January 1989 in the auditorium of IICB, the formation of the West Bengal Academy of Science and Technology with 136 Founder Fellows as per the recommendation as well as the Memorandum of Association and Rules and Regulations prepared by the ad-hoc committee were approved. The house empowered the ad-hoc committee to continue till the Council and Officebearers were constitutionally elected. The ad-hoc committee then convened a General Meeting of the Founder Fellows on 16th August 1989 in the auditorium of IICB to elect the Council. The first elected council of the Academy met on 24 August 1989 in the conference room of IICB and elected the office-bearers. The Academy then was registered as a Society (S/ 65001 to 1990-91) according to the West Bengal Societies Registration Act 1961. Thus, a new Academy entitled "**West Bengal Academy of Science and Technology**" was born having its registered office at IICB, 4 Raja S. C. Mullick Road, Jadavpur, Kolkata 700 032.

Memorandum of Association

1. Name of the Society

The name of the Society shall be 'West Bengal Academy of Science and Technology'.

2. Registered Office

The Registered Office of the Society shall at present be located at the Indian Institute of Chemical Biology, 4 Raja Subodh Chandra Mullick Road, Jadavpur, Kolkata-700 032.

3. Aims and Objectives of the Academy

The aims and objectives of the Academy shall be as under.

- 3.1 to promote and apply science and technology for the welfare of the state of West Bengal and its people.
- 3.2 to coordinate activities of various agencies and institutions, governmental as well as non-governmental, engaged in research and development;
- 3.3 to promote cooperation and excellence in scientific seminars, conferences, workshops, symposia, popular lectures etc. and through publication of scientific and technological journals, books, monographs, research papers, newsletters, etc.
- 3.4 to promote understanding among the basic and applied sciences and technology on the one hand and letters on the other;
- 3.5 to establish, maintain and upgrade scientific and technological library and documentation facilities; and

3.6 to do and perform all other acts, matters and things that may assisting, conduce to or be necessary for the fulfillment of the above mentioned aims and objectives;

3.7 The income and the properties of the Society shall be applied solely towards the promotion and objects of the Society and no portion shall be given to any member by way of profits, etc.

4. Management of the Academy

The management of the affairs of the Academy shall be entrusted, in accordance with the rules and regulations of the Academy, to a Council of which the first members are:

13.5 Editor of Publications

13.5.1 The Editor of publications shall be nominated by the council for a period of two years and shall be eligible for re-nomination.

17. Sectional Committees

17.1 Appointment: For effective working of the Academy, the Council shall appoint Sectional Committees, each representing a group of allied scientific and technological disciplines. The members of each Sectional Committee will be chosen from amongst the fellows of the Academy so as to secure representation of as many of the disciplines covered by a Sectional Committee as possible. *Duration of each sectional Committee will be two years coterminous with the term of an Executive Council.*

17.3 Appointment of Convener of Sectional Committee

17.3.1 The Council shall appoint a member of each Sectional Committee to serve as its Convener as also the channel of communication between the committee and the Council and office bearers. *Council should appoint Convener & members for each Sectional Committee for two years.*

17.4 Nomenclature of Sectional Committees:

The Sectional Committees shall be twelve in number at present with provision for increase if the Council considers it desirable. The disciplines and sub disciplines covered by each Sectional Committee are only indicative and not exhaustive, and will be as follows:

Sectional Committee IX

Biochemistry and Biophysics:

Biochemistry, Biophysics, Biotechnology, Molecular Biology, Microbiology, Immunology, Virology and Genetics

Sectional Committee X

Agricultural Sciences:

Agricultural Sciences, Animal Husbandry, Dairy Sciences, Fisheries and Forestry

17.5 Composition of Sectional Committees and quorum

Each sectional committee shall consist of *at least five but not exceeding nine* members, with three members forming a quorum.

17.6 Change in Sectional Committee Members

In case, any member fails to attend two consecutive meetings without giving *valid reason*; the council may appoint a new member for the remaining period.

17.7 Sentences written under Section 17.7 should be deleted.

17.9 Sentences written under Section 17.9 should be deleted.
