## Introduction

**A** convention of scientists and technologists of West Bengal was held on 29 April 1986 in the auditorium of Indian Institute of Chemical Biology (IICB), Kolkata, to consider the question of forming an Academy of Science in West Bengal. After a prolonged discussion, the house decided to form such an Academy and constituted an ad-hoc committee to take necessary steps to give effect to this decision. In a general meeting on 20th January 1989 in the auditorium of IICB, the formation of the West Bengal Academy of Science and Technology with 136 Founder Fellows as per the recommendation as well as the Memorandum of Association and Rules and Regulations prepared by the ad-hoc committee were approved. The house empowered the ad-hoc committee to continue till the Council and Office bearers were constitutionally elected. The ad-hoc committee then convened a General Meeting of the Founder Fellows on 16th August 1989 in the auditorium of IICB to elect the Council.
